The first part of the inceting was eccupied with elo-uent addresses by Mr. Curtis and Mr. Coches, inter-persed with singing by the audience. The Chairman then introduced H. P. Hanscom, Presi-

the Tabernacie next Monday evening. The announcement of a Concert by them will doubtless be enough to crowd

grammar school, 182. STATE PRISON STATISTICS.—We are indebted to J. Stanton, Esq for the following statistics: Number of male convicts in prison at Sing Sing February 1, 593; re-

ceived during the month, 14; discharged by expiration of term, 9; pardoned, 2; sent to Lunaite Asylum, 3. Remain

SUICIDE BY HANGING.—A German, for some time residing corner of Greenwich and Perry at a named John Zasstramo, aged 33, yesterday committed soicide by hanging himself with a rope, under the following circumstances a few days previous to the committat of the rash act, the deceased attended to his business as usual, but on Wednesday he was observed to sharpen a knife used for cutting mest. On the following day, about 4 o'clock, deceased left the store and retired to his back room. On several occasions. The clerk went to his room, down. On several occasions. The clerk went to his room, down. On several occasions. mest. On the following day, about 4 o'clock, decessed left the store and retired to his back room. On several occasions. The clerk went to his room-door, but always found it looked. Nothing was suspected at this time, but the next morning about 8 o'clock the clerk went again, and still found it looked. His suspicious were now aroused and he spoke to several persons about the absence of his employer and his door being looked. A pane of glass was broken open in the such door, but the darkness was so broken open in the such door, but the darkness was so broken open in the such door, but the darkness was so broken open in the such door. But the door of the door open, when they discovered the decessed in sugnet by the neck, with a rope around it. Life was exting the door open, when they discovered the decessed surging by the neck, with a rope around it. Life was exting the foundation of the such door open, when they discovered the decessed surging by the neck, with a rope around it. Life was extinct. The decessed was lo have been married on the rise of this month. Coroner Walters resterday held an inquest on the body, and the Jary returned averdict that the decessed came to his death by suicide by banging.

SUDDEN DEATH.—About noon on Thursday, a Mrs. Weildler, of 138 Third at was taken seriously ill and compelled to retire. Shortly afterward she commenced ventiting and continued all night. Br. Wilhelm on being sent for yesterday morning and making an examination, found her body avoilen in the most unaccountable manner, her face horribly distorted and her wrist was swelled to such a degree that it was impossible to accertain the state of her pulse, and on theeding her, not more than eight or 10 drops of blood could be obtained. She remained in this estate until about 12 elected, when she died. The Corone will hold an inquest upon the body this forenoon, when cause of her death will be ascertained.

ANOTHER SINGULAR DEATH .- A boy about three ANOTHER SINGULAR DEATH.—A boy about three years old named Robert Good, whose parents reside at No. 188 Laurens at after playing in the street for about half an hour on Wednesday afternoon, returned home and immediately become very till, whereupon his mother went to a drug store in the neighborhood and procured some middle, which was administered to him in the course of the evening His symptoms becoming more arming yesterday a physician was easied in, who at once stated that a powerful narcotto had been administered to the child, and that there was no possibility of his recovery. The boy died soon afterward.

BROOKLYN AFFAIRS.
